

Year 1:

God is the creator of all that is and keeps it in being. Each person is God's unique creation, made in love for love. We praise God for all the good gifts of creation, both seen and unseen.

Year 2:

God's gifts to people are a sign of God's love. God's greatest gift is Jesus who showed us God is a loving and forgiving Father. People are called to appreciate God's gifts and be grateful for them.

Year 3:

God is everywhere in the world through creation. God works through people who accept God's gift of grace. God speaks to people through the Scriptures. God works in the world through every culture.

Year 8:

God is a mystery and cannot be measured - both near and great beyond human understanding. God is revealed as a Trinity of three persons - One God who creates, redeems and sanctifies.

**Year 4:**

God is the mystery of the Father, Son and Holy Spirit. We give respect to the gift of God's creation because it is tapu. God's love is expressed through the 10 commandments.

Year 7:

People are created to grow through grace to become like Jesus and turn away from sin. Although affected by sin, all creation is redeemed by God. God wants us to live our lives to the full, using our gifts and talents to bring about God's peace and love.

Year 6:

Images of God reveal something of what God is like. Christians come to know God through Jesus and respond in worship and action.

Year 5:

God is faithful. Scripture tells us stories of God's call to people and their responses. We are called to believe in God and build up Te Rangatiratanga - the Reign of God on earth.
