19th October 2015

Dear Parents,

On the 30th October our whole school participates at the Catholic Inter-School Athletics Day, held at Paeroa Domain and beginning at 9:30am and finishing at approximately 2:00pm. There will be no postponement day. Should the event be cancelled we will be advised by 7:45am.

There is a junior programme (5,6&7) and a senior programme (8,9, 10, 11 & 12+) which runs throughout the day. Ages are at **12th October**. Events for juniors include such things as softball throws, running, walking and both high and long jump. Seniors compete in sprints, high and long jump, softball throw and 400 metre run. Our senior school athletics team is selected from this day to go on and compete at the Te Aroha Inter-School Athletics Day on the 11th November. Parents are welcome to join us and support their children at all the events. Parents are also encouraged to assist teachers at some activities.

Children are required to bring plenty to eat and drink, along with sunblock and a sunhat.

We will be travelling to Paeroa in buses. Each child is asked to pay \$4.00 to cover this cost. Please send the money to the school office.

This year there will be lunches available to order, however orders have to be in prior to the event. All orders and money will have to be **at school before 23rd October**. If you want to place an order please complete the attached form and return it to school with the money.

Please can you complete the permission slip below and return it to the school office as soon as possible.

Should you have any queries please see me and I will endeavour to answer them.

Regards

Linda Keepa

Mission: Excellence in Education for all within a Catholic Environment.
